

## Product Change Notice

**PCN #: BE131224**

Date: December 24, 2013

Updated: December 9, 2022

Re: Label Change

**To Our Valued Customers:**

We appreciate your use of Vicor power modules. The purpose of this notice is to inform of a change to the product label.

**PCN Type:**

Notice of appearance change.

**Product(s) Affected:**

All VI(VE)-200 Drivers and Boosters, VI(VE)-HAMs, VI(VE)-BAMs, VI(VE)-HAMD, VI(VE)BAMD, VI(VE) BatMods, and VI(VE)-J00.

**Proposed Changes:**

The belly label of the modules will change in two steps. The first change is to remove the model number barcode and center the model number. The second change is to left justify the model number. See figures 1-3 for images of the old, interim and final labels.

**Customer Impact:**

There is no change to form, fit or function. The appearance change may require changes in incoming inspection to accept the new label design.

**Reliability/qualification summary**

Not applicable.

**Company Contact:**

Applications Engineering

Vicor Corporation

25 Frontage Road Andover, MA 01810
